Let's try pushing baby out... *Again, I didn't mean to make it public, but God works in mysterious ways* I'll keep updating this as I walk through this CPS crap and how they illegally kidnapped my baby less than 48 hours of him being born, without a warrant or a court order.

No drugs in baby or mother. Placenta was also mishandled. I am planning a lawsuit. You can pm me if you would like to help or need help in how to deal with CPS chicken heads.

Check out... I don't understand this WHOLE LIVE streaming video issues, and I don't understand why they take baby away from you, but one thing I know is that GOD SEND HIS RAIN UPON THE JUST AND THE UNJUST!!! In saying that, I am well aware of... BLESSED IS THE MAN WHO DOES NOT WALK IN THE COUNSEL OF THE WICKED, NOR STANDS IN THE WAYS OF SINNERS, NOR SIT AT THE SEATS OF THE MOCKERS!!! BUT HIS DELIGHTS IS IN THE LAW OF THE LORD, AND ON HIS LAW HE MEDITATES DAY AND NIGHT!!!

HE SHALL BE LIKE A TREE PLANTED BY THE STREAMS OF WATER, WHICH YIELDS IT'S FRUITS IN IT'S SEASON, IT'S LEAVES DOES NOT WITHERS... WHATSOEVER HE DOES, PROSPERS!!!

NOT SO THE WICKED, FOR THEY ARE LIKE SHAFTS WHICH THE WINDS BLOWS AWAY, THE WAYS OF THE WICKED WILL PERISH!!!(I'm paraphrasing again!!!)

Clearly, we can see that only 2ways in this world, we have to choose, and I pray that I can extend you my prayers and understanding of GOD'S UNMATCHLESS GRACIOUS GRACE that HE'S blessed me with, I send you and your family in your times of trials and tribulations, be of good courage, because JESUS CHRIST OF THE BIBLE HAS OVERCOME THE WORLD!!!

ABIDE IN CHRIST, DRAW NEAR TO HIM, AND HE WILL DRAW NEAR TO YOU!!! GOD'S PROMISE!!!

I know that not everyone agrees with the contents of this video, however it may find you, I employ your prayers for this family, extend your LOVE and your GRACE with what they're going through, because we are commanded by the GOD OF THE BIBLE THAT WE LOVE OUR NEIGHBOR AS OURSELVES!!!

May you and your little family rest in HIS FAITHFULNESS!!!

what I know is that I am well rooted... I am so well rooted in the love of Christ that even when I hug my mom, I feel my grandmother, my grandfather, my great uncles and aunts and her brother my uncle... what I can see is a lot of people can preach but very few can walk with the spirit and there is a different work for everyone and we can see where Jesus walked he walked on water and he walked amongst the Council of anybody and stood firm unwavering and perfect...

If we are to be like Christ... you boldly go 2 or more wherever you are gathered IN JESUS NAME GOD IS WITH YOU....

AND I ALWAYS AM 2 OR MORE DEEP WALKING AND PROCLAIMING BOLDLY WHAT MY CHRIST'S SACRIFICE HAS MEANT TO ME

And to me it soothes me because not everyone dreams and not everyone can say their dreams and visions come true. ..

So it's encouraging for me to see God's hands in my life. ..and that my grandma and many people's blessings are upon me. ... and I own that. .. something nobody can ever take away from me

Everything is okay with that and all... but you can see how the White Knight is played throughout the system and I have undercover video to prove that this guy did not have not even one court order to take my son my newborn son how dare he he invaded Sovereign treaty and he invaded Sovereign rights over mother and father... in all honesty we are citizens of the heaven and we ought to act like it

I wouldn't have done that... my own mom would have slapped me... I've been raised by at least 4 different good mothers and many good men.... I'm Polynesian... to think we didn't have midwives and waterbirths before people were colonizing our islands is an understatement. And in our culture we used to really celebrate birth, as a thing of the community... those that are cultureless shove their privacy policies down our throats without acknowledging who we are. The pacific islanders. The ones America stole hawaii from, and colonized it to wage wars and scam our polynesian people with tourism, fill our lands with jobs of wind chasing, when our lands have always been self sustaining... now we have hotels covering hawaii and a bunch of people saying aloha throwing trash everywhere raising prices on the native island man...

I am hoping for him to be brought back to us soon... its so hard to get back to normal life with so much emotional turmoil being thrown upon us for lies... and even if they had a problem with me, i told them ill live somewhere else so my lady can raise our baby, give me a fair trial... why all this pain...

[Hide](#) · Jul 4

Fakamalo Kihe Eiki

Ty 4 congrats btw Robert Cornue... and ty Carl Bowman 4 the understanding... I'm not sure how any family could go through CPS and not get a fair trial and lose their children to foster care providers...

They are putting 5 pound newborn clothes and diapers on a nearly 20 pound baby... its now over a month since our newborn was taken and nearly a year since this idiot caused a fire at my residence while i was sleeping with the my 2 older children ... this has been our worse nightmare and it is highly demoralizing... i work hard in my community to help solve problems and i dont appreciate such hypocrisy landing me in the pits of earthly hell lacking the fire

I don't understand what your problem is? All of my family loved to see my son born, and i was respectful about it... my lady approved of it, i just didnt know i did it live to the world, my bad... but what part of this don't you get? I have been dealing with CPS since October and I am missing my children and I was cherishing this blessing that was coming from a very stressful situation for me and I wanted my family to enjoy my brief moment of happiness during a very difficult time for me.... what do you want? A journal? Go read all of my crap even before October.... i have never been ratchet...
